Planning and Reflections

Team Name: ....

Team Number: ....

Stage 1

What ideas do you have for using your BBC micro:bit in the real world?

Health	Travel

Sport	Home and leisure

How would your ideas solve problems or change/improve people's lives

theiet.org/faraday
@IETeducation

The Institution of Engineering and Technology (IET) is registered as a Charity in England and Wales (No. 211014) and Scotland (No. SC038698). The Institution of Engineering and Technology, Michael Faraday House, Six Hills Way, Stevenage, Hertfordshire SG1 2AY, United Kingdom.

Stage 2

What theme are you going to work on?
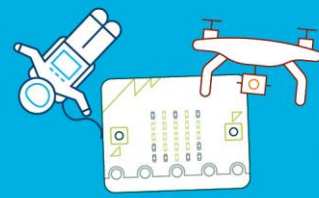

Final Design

What two ideas have you chosen to work on in your theme?

Idea 1: ………………………………………………………………………
……………………………………………………………………………
……………………………………………………………………………………
……………………………………………………………………………

Idea 2: ……………………………………………………………………………
……………………………………………………………………………………
……………………………………………………………………………………
……………………………………………………………………………………

Things to think about:

How will your BBC micro:bit help someone in the real world? How easy will it be to use? How will you market it? How much will it cost to make?

Reflections

What are the advantages and disadvantages of your ideas?

Advantages: ....
....
....

Disadvantages: ....
....
....

Stage 3 **Reflections**

We encountered the following problems as we developed our prototype:

....
....
....
....
....
....
....
....

We overcame these by ....
....
....
....
....
....
....

What roles did you take in your team and why? How effectively did you work as a team? Would you change anything about the way you worked or the roles you had on this project?

....
....
....
....
....
....
....
....
....
....

Stage 4 **Reflections**

The Pitch

Use this page to prepare your notes for the 5 minute pitch. Remember you need to explain and demonstrate how your BBC micro:bit prototype will work in the real world. Use the marking criteria to help you. You may use other notes if you want to.
