

Team number .....

## Planning and event log

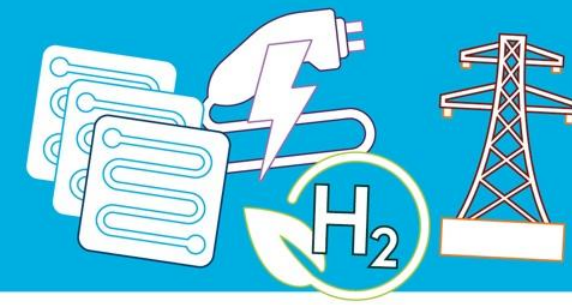

### Planning

Why do you think your idea would support the work of the Faraday Battery Challenge? .....

.....

.....

## Engineering event Log

**REMEMBER** the focus should be on your engineering and your teamwork. Be specific, accurate and honest. Supporting diagrams are allowed.

### Event log 1

### Event log 2

### Event log 3

### Engineering priorities

List your engineering priorities for the last half hour of development time. What does the team need to do, who will do what and in what order?
