

Early STEM learning  
through play for 4-6  
year olds.

# FIRST® LEGO® League Discover

Wonder and question, build and tinker,  
listen and share.

## Participants:

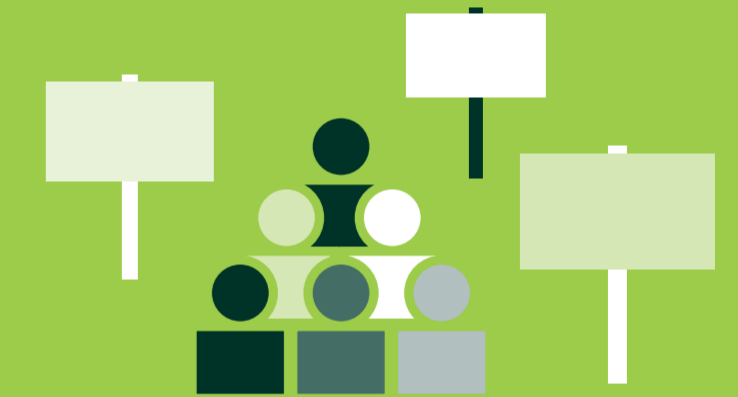

- solve meaningful problems
- build the bridge between the real world, STEM skills, language and literacy
- develop natural curiosity, knowledge and habits of learning

## UK and Ireland statistics:

**928**

teams in  
2019-2020 season

**3,640**

young people  
participated
