

## **FIRST® LEGO® LEAGUE** Volunteering Process: **UNEARTHED SEASON**

Step 1: The first step in joining us for the **FIRST® LEGO® LEAGUE** season is to sign up using this form:  
<https://forms.office.com/Pages/ResponsePage.aspx?id=ugf4Nzmq40OAGKvdtvd4HNEbUS5xf1IPmUkmlg3dFLhUQkYyWDJRUVJRWE5OU1RRTzhNWew4RU42NiQIQCN0PWcu>

2. Once the form is complete, please start the process of obtaining your DBS (or equivalent) safeguarding certificate. You can apply via STEM Learning: [Become a STEM Ambassador](#) or via source an alternative online.

3. You will be contacted by our Volunteer Excellence (VX) team here at the IET, with information on how to complete the mandatory IET Safeguarding Training and to read and sign a copy of our Policy. We will ask you to attend our Annual Conference or, if you cannot make it, we will provide you a weblink to watch the video.

Top Tip: Make sure you save your training certificate! You will need to send it to your desired regional tournament host to prove that you are compliant with IET safeguarding policies.

4. Once you have your DBS (or equivalent) certificate and completed the mandatory IET safeguarding training, you will qualify to volunteer at a regional tournament! You will be sent an email, once fully compliant on how to sign up. Please keep in mind – regional tournaments run January – March 2026.

5. Regional hosts will have access to the regional tournament sign up form and will be in contact with you should they require your support at their event. As a reminder, you will need to send the regional hosts your DBS and IET safeguarding certificates before you will be able to attend.

6, You are ready for the FIRST LEGO League tournament season! Please reach out to our dedicated inbox if you have any questions throughout the season. [flvolunteers@theiet.org](mailto:flvolunteers@theiet.org)

7, All volunteers who have attended a regional tournament are welcome to join us at the National Final. Please look out for an email inviting you to register your interest.

We look forward to seeing you this season! The **FIRST® LEGO® LEAGUE** team
